WT Grover Hill and WT Payne Elementary
Young 5's (Transitional Kindergarten) and Traditional Kindergarten
2018-2019 Registration

Wayne Trace will have two Kindergarten age programs for the 2017-2018 school year. These options include a Young 5's (Transitional Kindergarten) depending upon numbers, and a regular Traditional Kindergarten.

Students enrolled in Traditional Kindergarten will need to be 5 years of age before August 1, 2018. Students enrolled in the Young 5's (Transitional Kindergarten) must be 5 years of age on or before September 30, 2018.

Both programs are all day, every day programs that provide students with a Kindergarten curriculum based on the Ohio Department of Education content standards. After each child's Kindergarten screening, a team of academic professionals will meet and gather their findings. A recommendation will then be made to parents regarding a placement for their child.

*****It is important to note that the creation of the Young 5's (Transitional Kindergarten) classroom will be contingent upon a minimum enrollment as determined by Wayne Trace administration**.

All students interested in enrolling in either program are required to participate in the Kindergarten screening process. Screenings will take place at WTPE on April 16 and 17. Screenings will take place at WTGH on April 18 and 19.
