

## 2016 Wayne Staff Hall of Fame Nomination

The Wayne Trace Local School District has created a "Wayne Trace Staff Hall of Fame" to recognize former employees who have significantly impacted our school district before, during, or after consolidation. This includes any former staff member working in any position such as a teacher, principal, bus driver, custodian, cook, etc.

If a former staff member made a positive impact in your life and others in our school district, please take a few minutes and complete the district wide nomination form. We believe it is important to have community input and ownership in the nomination process.

Upon completion of the nomination form, please mail to Wayne Trace Jr./Sr. High School, c/o Steve Arnold, Superintendent, 4915 US Route 127, Haviland, OH 45851 by February 1, 2016.

---

---
