

CHRISTMAS SHOPPING MADE EASY

Let us help you do your Christmas shopping this year! The Wayne Trace Performing Arts will be offering gift cards again. How it works is simple – you purchase gift cards from us like you would in a store for face value. The percent column on the paper is the amount that we will get back from Great Lakes Scrip for ordering cards through them. Please consider this as you plan your shopping or purchasing cards for those on your Christmas list. We have three convenient order days for you to choose from:

Order by Thurs, Nov. 11th for pickup on Tues, Nov. 16th

Order by Thurs, Dec. 2nd for pickup on Tues, Dec. 7th

Order by Thurs, Dec. 9th for pickup on Tues, Dec. 14th

The orders and money must be received by noon of the order day for your order to be sent in on time. Please call the music department at 419-622-5171 ext 271 and make arrangements for card pick up. Thanks for supporting us while you shop!
