

## Nathan Robert Plummer Memorial Scholarship

Nathan was a 2009 Wayne Trace graduate; Nathan's personality was unlike any other, he was a free spirited, outgoing, adventurous, spontaneous, ambitious, caring, kind individual, and he had a sense of humor that could make anyone laugh. He lived every day to the fullest, whether that be at school, at one of his many random jobs, at home, or just helping out someone in need. Nathan was willing to do anything for anyone in order to help them, and Nathan did not expect anything in return from the person. He was a people – person to the core; he loved being around others regardless of age. As his family, we will miss Nathan forever, and we would like to preserve his legacy, to encourage others to live life with the willing heart to love and help others that Nathan embraced.

We, Nathan's family would like to present two graduating seniors each a \$750 scholarship to continue their education. Please submit an essay explaining why you deserve to be one of the recipients.

**Do NOT put your name on your essay.** Please hand to Mrs. Franz. The essays will be given to the committee with numbers assigned to each essay.
