COLLEGE CREDIT PLUS

CCP Consent Form

Legal Name Last First M.I. **Student N# (N00)**

Middle/High School or Career Center **High School Graduation Year**

Street address **City** **ST** **ZIP Code**

Student's Primary phone number **Student's Email address**

Parent/Legal Guardian consent for student to participate in College Credit Plus program.

I hereby grant permission for my child to enroll in the College Credit Plus program at Northwest State Community College. I understand:

- Completion of this consent form does not guarantee admission to NSCC or to a specific course. Students must meet course placement and/or prerequisites for ALL courses.
- This is not a course registration form. This authorizes your student to register for NSCC dual credit courses. After acceptance into the program, students will be able to submit a registration form to their CCP Advisor. Students must meet state remediation free standards, course placement requirements and prerequisites for ALL requested courses prior to registration.
- Courses will become a part of the student's permanent academic record and will be included on the high school transcript and calculated in the high school grade point average.
- If a student fails a course and/or withdraws after the 100% refund deadline, the school district may bill the family for the cost of attendance. A student may withdraw from a course prior to the course Withdrawal Date and receive a "W" on the college transcript, which will not affect the college GPA. Students should consult with their high school counselor and college CCP advisor before withdrawing from a course.
- CCP students will be in classes with other college students from a variety of ages and backgrounds and may be required to interact with classmates on group work and projects inside and outside the classroom.
- The subject matter of the course(s) may include mature adult themes and materials and will not be modified based upon CCP participation.
- If the student has a documented disability, it is the student's responsibility to request necessary accommodations through NSCC's Accessibility Services Office in order to receive services deemed appropriate.
- Students may not register for more hours than indicated by the school counselor/principal in alignment with state regulations. If the student registers for more than the allotted hours, they may be charged for the full cost of the course tuition, fees and books for the course(s) that cause them to exceed their allotted hours.

Student Consent for Release of Information

I hereby grant NSCC permission to:

- Notify me, my parent/guardian, my school district and the State Superintendent of Public Instruction of my acceptance into the CCP program;
- Notify me, my school district and the State Superintendent of Public Instruction of my course registration(s) under this program;
- Notify me, my parent/guardian, my school district and the State Superintendent of Public Instruction if I fail to complete one or more courses as a result of a formal withdrawal process or if I fail to attend classes regularly that are taken under this program; and
- Send any grades I receive in this program to my school district.

By my signature, I attest to the fact that all information given on the online application is complete and correct. I understand that I must have parental authorization, and that my eligibility for admission will be determined by my placement score on the ACCUPLACER Assessment or ACT.
