## Weather Delays and Cancellations Busing Procedure

If WT closes due to weather, no buses will be running.

If WT is delayed all busing will run on the delay schedule.

If Vantage delays and WT does not, students will be picked up at their normal time and taken to Wayne Trace High School. There, they will wait 2 hours and then be taken to Van Wert. Parents are also able to drop their child off at the high school by 9:45 if they prefer to not wait at the high school due to the 2 hour delay.

If Vantage closes while students are waiting at the high school, parents/guardians will be responsible for transporting their child back home.
